BE IT ORDAINED, by the Cook County Board of Commissioners that Chapter 74 Taxation, Article XIII Parking Lot and Garage Operations Tax, Sections 74-510 through 74-519 of the Cook County Code is hereby amended as follows:

Sec. 74-510. - Short title.

This article shall be known and may be cited as the Cook County Parking Lot and Garage Operations Tax Ordinance.

Sec. 74-511. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Charge or fee paid for parking means the gross amount of consideration for the use or privilege of parking a motor vehicle in or upon any parking lot or garage in Cook County, valued in money, whether received in money or otherwise, including cash, credits, property and services, determined without any deduction for costs or expenses whatsoever, but not including charges that are added to the charge or fee on account of the tax imposed by this chapter or on account of any other tax imposed on the charge or fee. "Charge or fee paid for parking" shall exclude separately stated charges not for the use or privilege of parking. If any separately stated charge is not optional, it shall be presumed, unless proved otherwise, that it is part of the charge for the use or privilege of parking.

Department or Department of Revenue means the County Department of Revenue.

Motor vehicle means any vehicle that is self-propelled.

Operator means any person conducting the operation of a parking lot or garage, as defined by this article, or receiving consideration for parking or storage of motor vehicles at a parking place within Cook County.

Parking lot or garage means any building, structure, premises, enclosure or other place, whether enclosed or not, except a public way, within the County, where four or more motor vehicles are stored, housed or parked for hire, charge, fee or other valuable consideration in a condition ready for use, or where rent or compensation is paid to the owner, manager or lessee of the premises for the housing, storing, sheltering, keeping or maintaining of such motor vehicles.

Person means any individual, corporation, Limited Liability Corporation, organization, government, governmental subdivision or agency, business trust, estate, trust, partnership, association and any other legal entity.

Valet Parking Operator means a person who employs one or more attendants for the purpose of providing a valet parking service or who contracts his own services, but not in the capacity of employee, to any business establishment, for the purpose of providing a valet parking service to such establishment located in Cook County.

Valet Parking Service means a parking service provided to accommodate patrons of any business establishment, which service is incidental to the business of the establishment and by which an attendant on behalf of the establishment takes temporary custody of the patrons' motor vehicle and moves, parks, stores or retrieves the vehicle for the patrons' convenience.
